

Amberly PTA
11/15/16

Call To Order 9:17

Today's Agenda was approved with one change: The Zoup Dine-out event will be December 6th not the 7th.

Meeting minutes for October were not approved, because I forgot to bring them, oops!

Mary's Report: The survey from the teachers was completed and the quotes are in for the movement furniture. The standing desks and the movement stools will be divided up among all grade levels and the total is \$9,318.78 plus shipping. Also, a few classes did receive new desks and chairs from the district.

Winter Gear will be distributed from Mary's Closet at the conferences this week. Public Access will be onsite Thursday to film a segment about warm children. We are still taking donations.

Math League will host a pizza party on the last day of Math League.

A School Day Action Committee was established and will be headed up by Jordan Kucinski. The committee will be drafting a letter of concern to present to the January 23rd school board meeting. This letter will be followed up with a letter and support material to be presented at the February 27th school board meeting. The letters will address recess concerns as well as length of day and number of half days in a school year. Mary will be putting out a survey to local districts to ask how their school day is run.

Carrie presented the theater visit for this year which will be the March production of Beauty and the Beast Jr. showing Saturday March 25th time TBD.

Meeting Adjourned 9:55
